

# See the person, not the mask.™

The ClearMask™ is a fully transparent, **FDA cleared** and **CE-marked** mask with full face visibility.

The Clearmask™ product blocks aerosols, fluids and sprays from the face through its anti-fog, transparent plastic barrier and meets applicable **ASTM level 3** and **EN 14683** standards.

Available in two sizes:

Product	Size	Code	Box Qty	Carton Qty
ClearMask™	Adult	CM002EZ	24 masks	18 boxes (432 masks)
ClearMask™	Youth	CM003EZ	24 masks	18 boxes (432 masks)

### Did you know?

55% of how we communicate is visual

Miscommunication is a leading cause of preventable sales and medical errors

The ability to see a smile can really help a customer feel at ease

## Wear a mask without hiding your face.
